RESEARCH NOTES

State baseline (AZ) is well-documented: ARS §36-931/§36-932 as expanded by HB 2042 (2024). Coconino County zoning code Section 18 found via Exa search (coconino.az.gov doc center), indicating home occupation rules exist for residential zones. No specific county-level cottage food ordinance found. County health and planning URLs were not provided in input and could not be verified. State law preempts many local restrictions but zoning/home occupation rules may still apply in unincorporated areas. Confidence medium because county-specific health/zoning URLs were not available to confirm full county-level rules.
