RESEARCH NOTES

Routt County UDC (adopted June 11, 2024, effective July 29, 2025) classifies Home Occupation as 'R' (review-based permit) across all residential/rural districts. This means a home occupation review/permit is required county-wide for unincorporated areas. Cottage foods are specifically allowed under state law but local zoning permit still required. City of Steamboat Springs operates separately with resort-area zoning considerations.
