RESEARCH NOTES

Athens-Clarke County Home Occupation Application (PDF, Revised February 2026) retrieved directly via Exa search from athensclarkecounty.com. Key finding: Section 9-15-16(L) states 'No food service regulated by the Department of Health shall be permitted' as a home occupation — this may create tension with cottage food operations if they are classified as food service by the Department of Health, though HB 398 (2025) removed the GDA licensing requirement. The \$20 Home Occupation permit is required before obtaining a Business Occupation Tax certificate. ACC Home Business Permits page (accgov.com) also confirmed. County govt URL confirmed. ACC is a consolidated city-county government. High confidence for local zoning rules based on official ACC documents found.
