RESEARCH NOTES

Henderson County Zoning Ordinance (eCode360 §27529437; hendersoncountky.gov/DocumentCenter/View/73) explicitly excludes product processing from 'home occupation' definition and prohibits on-premises retail sales. This is more restrictive than the state baseline. However, KRS §217.136 may preempt local restrictions on registered Home-Based Processors. Operators are strongly advised to consult Henderson County Planning & Zoning (hendersoncountky.gov) and confirm whether a conditional use permit or other approval is needed. City of Henderson may have separate municipal ordinances. State HBP registration (\$50/year, form DFS-250) still required regardless of local zoning outcome.
