## LAST VERIFIED

2026-05-06

**IMPORTANT — NOT LEGAL ADVICE**

This report compiles publicly-available statutes, regulations, and county zoning rules into a research reference. It is **not legal advice** and is provided **without warranty** as to accuracy, completeness, or current applicability.

Cottage food law changes frequently. Counties may amend zoning, health departments may issue new permits, and state legislatures may update statutes after the publication date shown above.

**Always verify rules directly with your state department of health/agriculture and your county health and planning offices before relying on them for any business or regulatory decision.** Consult a licensed attorney for advice specific to your situation.

## How to start — 60-second path

Piscataquis County, Maine — permit, pickup, and label steps before the full county rules.

### HOME KITCHEN ALLOWED?

**Yes**

### STATE SALES CAP

—

### HOME OCCUPATION PERMIT?

**Varies**

### ON-SITE / PORCH PICKUP?

**Yes**

### INSPECTION

**Yes**

### PETS

**Under statewide license: animals typically excluded from production areas during production.**

### BEFORE YOU SELL FROM THIS ADDRESS

- ☐ **1. Menu** — Confirm each product under Maine cottage food rules (county cannot expand a state ban).
- ☐ **2. Pickup & zoning** — Home occupation and porch pickup cells above; HOA/lease may still block customer traffic.
- ☐ **3. Local tax / license** — Business license or sales tax certificate if your city/parish requires it (common even with no state food permit).
- ☐ **4. Training** — Food handler or state registration before market day.
- ☐ **5. Labels** — Disclaimer, allergens, ingredients, net quantity, producer info.
- ☐ **6. Call if unclear** — County health and planning for your exact address.

### LABEL FIELDS TO INCLUDE

- ☐ Product name · producer name · address (or allowed alternative)
- ☐ Ingredients by weight · major allergens · net weight/quantity
- ☐ Maine home-kitchen disclaimer (see live label one-pager)

Planning path only — not legal advice. Rules change. Always verify with state and local offices before selling.

## MAINE: PISCATAQUIS COUNTY

CROSODO INDEX #1267\* · FIPS 23021 · —

## Piscataquis County

Population 17,432 · State baseline: 7 M.R.S.A. §282 (Food Sovereignty Act) · **MEDIUM**

## QUICK VIEW FOR BAKERS IN THIS COUNTY

## HOME KITCHEN ALLOWED?

Yes (Two pathways: (1) Statewide Home Food Processor License from ME DACF — requires kitchen inspection, well/septic testing if applicable, most non-TCS shelf-stable foods allowed. (2) Local Food Sovereignty Ordinances — in participating municipalities, nearly any food allowed for direct producer-to-consumer transactions. Piscataquis is Maine's largest and most sparsely populated county.)

## SEPARATE KITCHEN REQUIRED?

No

## PETS ALLOWED?

Under statewide license: animals typically excluded from production areas during production.

## HOME OCCUPATION PERMIT?

Varies (Piscataquis County is confirmed as having food sovereign communities ([localfoodrules.org](http://localfoodrules.org)). No county seat listed in input data. As Maine's most rural inland county, many areas are unorganized territories not subject to municipal zoning. Individual towns and plantations administer their own rules.)

## ON-SITE / PORCH PICKUP?

Yes

## INSPECTION REQUIRED?

Yes (Kitchen inspection required by ME DACF for statewide Home Food Processor License. Local food sovereignty ordinances may not require inspection.)

## Home kitchen rules

|----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| HOME KITCHEN ALLOWED       | Yes — Two pathways: (1) Statewide Home Food Processor License from ME DACF — requires kitchen inspection, well/septic testing if applicable, most non-TCS shelf-stable foods allowed. (2) Local Food Sovereignty Ordinances — in participating municipalities, nearly any food allowed for direct producer-to-consumer transactions. Piscataquis is Maine's largest and most sparsely populated county. |
| SEPARATE DEDICATED KITCHEN | No                                                                                                                                                                                                                                                                                                                                                                                                      |
| PET RESTRICTIONS           | Under statewide license: animals typically excluded from production areas during production.                                                                                                                                                                                                                                                                                                            |
| WATER SUPPLY               | Potable water required. Private well users must provide water test results for statewide home food processor license.                                                                                                                                                                                                                                                                                   |
| HANDWASHING                | Required per Maine food safety standards.                                                                                                                                                                                                                                                                                                                                                               |
| FOOD STORAGE               | Shelf-stable foods required under statewide license. Acidified foods may require University of Maine lab approval.                                                                                                                                                                                                                                                                                      |

## Inspection &amp; permitting

|                        |                                                                                                                                                                                                                                                                                                                                                              |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| INSPECTION REQUIRED    | Yes — Kitchen inspection required by ME DACF for statewide Home Food Processor License. Local food sovereignty ordinances may not require inspection.                                                                                                                                                                                                        |
| HOME OCCUPATION PERMIT | Varies — Piscataquis County is confirmed as having food sovereign communities ( <a href="http://localfoodrules.org">localfoodrules.org</a> ). No county seat listed in input data. As Maine's most rural inland county, many areas are unorganized territories not subject to municipal zoning. Individual towns and plantations administer their own rules. |
| LOCAL BUSINESS LICENSE | Varies                                                                                                                                                                                                                                                                                                                                                       |

**Customer-facing rules**

|                         |                                                                                                                                                                                                         |
|-------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| ON-SITE CUSTOMER PICKUP | Yes                                                                                                                                                                                                     |
| ON-SITE SIGNAGE         | Conditional                                                                                                                                                                                             |
| DELIVERY / PICKUP RULES | Under statewide license: direct and indirect sales allowed. Under food sovereignty ordinances: direct producer-to-consumer sales allowed. Sellers at farmers markets need a Mobile Food Vendor license. |
| MAX EMPLOYEES IN HOME   | Not specifically restricted under statewide license framework.                                                                                                                                          |

**Relevant county code**

7 M.R.S.A. §282; ME DACF Home Food Processor License requirements; individual town/plantation ordinances.

**RESEARCH NOTES**

Maine state baseline applied. Piscataquis County confirmed as having food sovereign communities per localfoodrules.org. This is Maine's largest but least populous county; many areas are unorganized territories. Confidence medium.

## State context — Maine cottage food law

Piscataquis County's rules sit on top of Maine's state cottage food framework. The state law sets the floor — counties can add but cannot remove protections.

|                                                                                                                                                                                                                                                                        |                   |
