Cottage food law changes frequently. Counties may amend zoning, health departments may issue new permits, and state legislatures may update statutes after the publication date shown above.

Always verify rules directly with your state department of health/agriculture and your county health and planning offices before relying on them for any business or regulatory decision. Consult a licensed attorney for advice specific to your situation.

RESEARCH NOTES

State baseline (Miss. Code Ann. §75-29-951) applies. Key MS restrictions: \$35,000 annual cap, NO internet/mail order sales, direct sales only. The MSDH cottage food URL in the input (page/30,0,76.html) appears incorrect; correct URL is msdh.ms.gov/msdhsite/_static/30,0,77,620.html. Nut butters and juices have been flagged as prohibited by the health department despite being nominally non-PHF.
