RESEARCH NOTES

NY Home Processor Exemption is administered by NY Ag & Markets (Rochester office serves Allegany County: 1530 Jefferson Rd, Rochester NY 14623). NY Ag & Markets explicitly states producers should consult local zoning officials before commencing any home-based business; local ordinances are NOT preempted. Allegany County is a rural Southern Tier county; no evidence of county-specific restrictions beyond the state framework found. Home Processor registration is free and does not expire but is location-specific. Medium confidence because local zoning varies at the town level in NY.
