**IMPORTANT — NOT LEGAL ADVICE**

This report compiles publicly-available statutes, regulations, and county zoning rules into a research reference. It is **not legal advice** and is provided **without warranty** as to accuracy, completeness, or current applicability.

Cottage food law changes frequently. Counties may amend zoning, health departments may issue new permits, and state legislatures may update statutes after the publication date shown above.

**Always verify rules directly with your state department of health/agriculture and your county health and planning offices before relying on them for any business or regulatory decision.** Consult a licensed attorney for advice specific to your situation.

## How to start — 60-second path

Medina County, Ohio — permit, pickup, and label steps before the full county rules.

HOME KITCHEN ALLOWED?

**Yes**

STATE SALES CAP

—

HOME OCCUPATION PERMIT?

**Conditional**

ON-SITE / PORCH PICKUP?

**Yes**

INSPECTION

**No**

PETS

**No explicit state restriction; good manufacturing practices apply.**

### BEFORE YOU SELL FROM THIS ADDRESS

- ☐ **1. Menu** — Confirm each product under Ohio cottage food rules (county cannot expand a state ban).
- ☐ **2. Pickup & zoning** — Home occupation and porch pickup cells above; HOA/lease may still block customer traffic.
- ☐ **3. Local tax / license** — Business license or sales tax certificate if your city/parish requires it (common even with no state food permit).
- ☐ **4. Training** — Food handler or state registration before market day.
- ☐ **5. Labels** — Disclaimer, allergens, ingredients, net quantity, producer info.
- ☐ **6. Call if unclear** — County health and planning for your exact address.

### LABEL FIELDS TO INCLUDE

- ☐ Product name · producer name · address (or allowed alternative)
- ☐ Ingredients by weight · major allergens · net weight/quantity
- ☐ Ohio home-kitchen disclaimer (see live label one-pager)

| WATER SUPPLY               | Potable water supply required.                                                                                                                                                                                                                             |
| HANDWASHING                | Adequate handwashing per good manufacturing practices.                                                                                                                                                                                                     |
| FOOD STORAGE               | Shelf-stable storage for approved cottage food products.                                                                                                                                                                                                   |

**Inspection & permitting**

|                        |                                                                                                                                                                                                                                                                            |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| INSPECTION REQUIRED    | No — No routine inspections. Ohio Dept. of Agriculture may investigate upon complaint.                                                                                                                                                                                     |
| HOME OCCUPATION PERMIT | Conditional — Ohio state cottage food law does not require a permit or registration. Medina County local zoning may require home occupation permit for home-based businesses in residential zones. County URLs were blank in input; no specific county ordinance verified. |
| LOCAL BUSINESS LICENSE | Varies                                                                                                                                                                                                                                                                     |

**Customer-facing rules**

|                         |                                                                                                             |
|-------------------------|-------------------------------------------------------------------------------------------------------------|
| ON-SITE CUSTOMER PICKUP | Yes                                                                                                         |
| ON-SITE SIGNAGE         | Conditional                                                                                                 |
| DELIVERY / PICKUP RULES | Direct sales only within Ohio. In-state delivery and farmers market sales permitted. No out-of-state sales. |
| MAX EMPLOYEES IN HOME   | No state restriction specified for cottage food operations.                                                 |

**Relevant county code**

O.R.C. §3715.025; Ohio Admin. Code 901:3-20; no specific county code found.

**RESEARCH NOTES**

Ohio has a specific approved product list for cottage food (OAC 901:3-20-04) distinguishing it from most states. No registration, no sales cap, but products must be on the approved list. Ohio has a two-tier system: cottage food operations (no registration) vs. Home Bakery (requires license). No county-level overrides found.

## State context — Ohio cottage food law

Medina County's rules sit on top of Ohio's state cottage food framework. The state law sets the floor — counties can add but cannot remove protections.
