INDIRECT SALES

Limited (see notes) — Direct sales to end users are permitted in any manner including online, mail, and at events. Sales to retailers (including coffee shops but not restaurants) are permitted if the retailer agrees to store/display the foods separately and clearly indicate they are homemade and not prepared in an inspected food establishment. Sales to institutions (restaurants, schools, hospitals, caterers, day care centers, nursing homes, correctional facilities) are prohibited. A Domestic Kitchen Bakery License (~\$50/year) is required for establishments wishing to sell to retailers under licensed status rather than using the residential-dwelling exemption. The department may provide a unique identification number for use on labels. Annual records must be maintained for 3 years.
