IMPORTANT — NOT LEGAL ADVICE

This report compiles publicly-available statutes, regulations, and county zoning rules into a research reference. It is **not legal advice** and is provided **without warranty** as to accuracy, completeness, or current applicability.

Cottage food law changes frequently. Counties may amend zoning, health departments may issue new permits, and state legislatures may update statutes after the publication date shown above.

Always verify rules directly with your state department of health/agriculture and your county health and planning offices before relying on them for any business or regulatory decision. Consult a licensed attorney for advice specific to your situation.

RESEARCH NOTES

Jefferson County has specific cottage industry and home business provisions in JCC 18.20.170 and 18.20.200. Search returned the county code (codepublishing.com) and a Department of Community Development permit guide (co.jefferson.wa.us/DocumentCenter/View/15489). Cottage industry permits are processed as Type II or Type III under JCC Title 18. This is more permitting burden than a typical rural WA county. State baseline (RCW §69.22 / WAC 16-149) remains the food safety framework. Medium confidence — cottage industry permit details confirmed from county code.
