

## COTTAGE FOOD LAW REPORT

# Taylor County

West Virginia · Grafton · FIPS 54091 · Population 17,071 ·  
Crosodo Index #591\*

## STATE BASELINE

W. Va. Code §19-40-1 through §19-40-6 (Cottage Foods, enacted 2026); §19-35-6  
(Nonpotentially hazardous foods at farmers markets)

| STATE TIER | ANNUAL SALES CAP (STATE) | CONFIDENCE | LAST VERIFIED |
|------------|--------------------------|------------|---------------|
| Good       | —                        | MEDIUM     | 2026-05-06    |

**IMPORTANT — NOT LEGAL ADVICE**

This report compiles publicly-available statutes, regulations, and county zoning rules into a research reference. It is **not legal advice** and is provided **without warranty** as to accuracy, completeness, or current applicability.

Cottage food law changes frequently. Counties may amend zoning, health departments may issue new permits, and state legislatures may update statutes after the publication date shown above.

**Always verify rules directly with your state department of health/agriculture and your county health and planning offices before relying on them for any business or regulatory decision.** Consult a licensed attorney for advice specific to your situation.

## How to start — 60-second path

Taylor County, West Virginia — permit, pickup, and label steps before the full county rules.

HOME KITCHEN ALLOWED?

**Yes**

STATE SALES CAP

—

HOME OCCUPATION PERMIT?

**No**

ON-SITE / PORCH PICKUP?

**Yes**

INSPECTION

**Upon-complaint**

PETS

**No specific pet restriction in state cottage food law.**

### BEFORE YOU SELL FROM THIS ADDRESS

- ☐ **1. Menu** — Confirm each product under West Virginia cottage food rules (county cannot expand a state ban).
- ☐ **2. Pickup & zoning** — Home occupation and porch pickup cells above; HOA/lease may still block customer traffic.
- ☐ **3. Local tax / license** — Business license or sales tax certificate if your city/parish requires it (common even with no state food permit).
- ☐ **4. Training** — Food handler or state registration before market day.
- ☐ **5. Labels** — Disclaimer, allergens, ingredients, net quantity, producer info.
- ☐ **6. Call if unclear** — County health and planning for your exact address.

### LABEL FIELDS TO INCLUDE

- ☐ Product name · producer name · address (or allowed alternative)
- ☐ Ingredients by weight · major allergens · net weight/quantity
- ☐ West Virginia home-kitchen disclaimer (see live label one-pager)

Planning path only — not legal advice. Rules change. Always verify with state and local offices before selling.

## WEST VIRGINIA: TAYLOR COUNTY

CROSODO INDEX #591\* · FIPS 54091 · Grafton

## Taylor County

Population 17,071 · State baseline: W. Va. Code §19-40-1 through §19-40-6 (Cottage Foods, enacted 2026); §19-35-6 (Nonpotentially hazardous foods at farmers markets) · **MEDIUM**

## QUICK VIEW FOR BAKERS IN THIS COUNTY

## HOME KITCHEN ALLOWED?

Yes (Taylor County has no county-level zoning ordinance. State law governs: nonpotentially hazardous cottage foods are fully exempt from licensing, permitting, and inspection. Potentially hazardous cottage foods require a WV Department of Agriculture permit. All sales must remain within West Virginia. No sales cap.)

## SEPARATE KITCHEN REQUIRED?

No

## PETS ALLOWED?

No specific pet restriction in state cottage food law.

## HOME OCCUPATION PERMIT?

No (Taylor County has no county-level zoning ordinance and does not require a home occupation permit for cottage food operations. State registration/permit required only for potentially hazardous foods through WV Dept. of Agriculture.)

## ON-SITE / PORCH PICKUP?

Yes

## INSPECTION REQUIRED?

Upon-complaint (No routine inspection for nonpotentially hazardous foods. Potentially hazardous foods require Dept. of Agriculture permit; complaint-based follow-up.)

## Home kitchen rules

| SEPARATE DEDICATED KITCHEN | No                                                                                                                                                                                                                                                                                                                            |
| PET RESTRICTIONS           | No specific pet restriction in state cottage food law.                                                                                                                                                                                                                                                                        |
| WATER SUPPLY               | No specific state cottage food water testing requirement.                                                                                                                                                                                                                                                                     |
| HANDWASHING                | No specific state cottage food handwashing mandate beyond general food safety practices.                                                                                                                                                                                                                                      |
| FOOD STORAGE               | Nonpotentially hazardous, shelf-stable foods fully exempt. Potentially hazardous foods require WV Dept. of Agriculture permit.                                                                                                                                                                                                |

## Inspection &amp; permitting

|                        |                                                                                                                                                                                                                                             |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| INSPECTION REQUIRED    | Upon-complaint — No routine inspection for nonpotentially hazardous foods. Potentially hazardous foods require Dept. of Agriculture permit; complaint-based follow-up.                                                                      |
| HOME OCCUPATION PERMIT | No — Taylor County has no county-level zoning ordinance and does not require a home occupation permit for cottage food operations. State registration/permit required only for potentially hazardous foods through WV Dept. of Agriculture. |
| LOCAL BUSINESS LICENSE | No                                                                                                                                                                                                                                          |

**Customer-facing rules**

|                         |                                                                                                                                   |
|-------------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| ON-SITE CUSTOMER PICKUP | Yes                                                                                                                               |
| ON-SITE SIGNAGE         | Yes                                                                                                                               |
| DELIVERY / PICKUP RULES | Direct sales only within West Virginia. Home pickup, farmers markets, roadside stands, and events permitted. No interstate sales. |
| MAX EMPLOYEES IN HOME   | Not specified in state statute.                                                                                                   |

**Relevant county code**

No county zoning ordinance. State law W. Va. Code §19-40-1 et seq. applies.

**RESEARCH NOTES**

Taylor County is a small rural north-central WV county with no comprehensive county zoning. WV enacted SB 44 (2026) creating §19-40-1 through §19-40-6 as the operative cottage food law. No county-specific cottage food or home occupation regulations identified. State baseline applies in full.

## State context — West Virginia cottage food law

Taylor County's rules sit on top of West Virginia's state cottage food framework. The state law sets the floor — counties can add but cannot remove protections.

### STATUTE

W. Va. Code §19-40-1 through §19-40-6 (Article 40, Cottage Foods, enacted 2026); §19-35-6 (Nonpotentially hazardous foods at farmers markets)

### ANNUAL SALES CAP

—

### REGISTRATION REQUIRED

Depends

### FOOD HANDLER CERT

No

### KITCHEN INSPECTION

Upon-complaint

### DIRECT SALES ONLY

Yes

### INDIRECT SALES

No — Cottage food must be sold directly to consumers. The new Article 40 (effective June 12, 2026) establishes that potentially hazardous cottage food vendors need a statewide permit but nonpotentially hazardous food sellers are fully exempt from permit and inspection. Local health departments may invoke cessation of production only if an imminent health hazard exists, in consultation with the Department of Agriculture. The input batch cited §16-7-1 (a general adulteration statute), but the operative cottage food framework is now Article 40 (§19-40-1 through §19-40-6), signed March 27, 2026.

For the full state-level analysis including the verbatim statute text, see the [West Virginia cottage food law report](#) on Crosodo, or open the live guide: [crosodo.com/states/west-virginia](https://crosodo.com/states/west-virginia).
