Pickup / delivery

Direct to consumer only within Alabama.

If you rent a commissary kitchen

A commercial kitchen is a food establishment. Alabama cottage food is not a food-service permit. A commissary, restaurant, or shared kitchen is a food establishment permitted by the county health department. Ask that office for the food-facility application, not the cottage-food form.

Local health office we have on file: <https://www.alabamapublichealth.gov/coosa/>

This file is the home-kitchen path. A rented kitchen uses a different permit. Ask the kitchen manager which license they expect, then call the local health office.
