Not legal advice. Rules change. Confirm with the office before you file.

Where to file

State

Alaska registration: Yes. Routine kitchen inspection: No. Retail store sales are permitted; the store must display a sign indicating the food is homemade, may contain allergens, and is not regulated or inspected, and homemade products must be on a separate shelf from inspected foods.

Statute: [AS 17.20.332](#)

Zoning / home occupation

Varies. CBJ has zoning code that likely includes home occupation provisions. No specific home occupation permit requirement for cottage food found in available sources. Alaska Business License required per AS 43.70.020. Producers should check with CBJ Community Development.

Planning: <https://juneau.org/community-development>

Health

Upon-complaint. DEC may inspect upon foodborne illness complaint under AS 17.20.336. Local CBJ health may have additional inspection authority.

Health: <https://juneau.org/health-and-social-services>

Business license

Varies

Pickup / delivery

Non-PHF may be sold via agents; PHF must be sold by producer directly. Online sales within Alaska allowed. No interstate commerce.

If you rent a commissary kitchen

DEC permits food establishments, not homemade food. Alaska homemade food (AS 17.20.332) is not a food-establishment permit. A commissary or retail kitchen is permitted by DEC Food Safety and Sanitation. Ask that program for a food establishment permit.

Local health office we have on file: <https://juneau.org/health-and-social-services>

This file is the home-kitchen path. A rented kitchen uses a different permit. Ask the kitchen manager which license they expect, then call the local health office.
