HOW THIS PLACE WORKS

California cottage food is registered at the county. CDPH does not issue cottage-food permits. Class A registration and Class B permits are handled by the county (or city) environmental health department where you live. If this file only has a county homepage, call Environmental Health and ask for the cottage-food (CFO) page. Class A is registration. Class B is a permit.

Zoning / home occupation

True. California state law (GOV §51035) preempts local zoning restrictions on cottage food operations. Del Norte County Environmental Health processes CFO registrations (Class A) and permits (Class B). Remote coastal and forested county on the Oregon border. Contact Del Norte County Environmental Health for registration.

Business license

County unincorporated areas generally do not require a county business license; City of Crescent City may require city business license

Pickup / delivery

Direct sales and delivery within California only; no interstate sales per state law

If you rent a commissary kitchen

CDPH does not permit commissaries. Counties do. California cottage food (Class A/B) is county environmental health. A commissary, restaurant, or shared kitchen is a retail food facility under CalCode, also at county environmental health, on a different application than the CFO form.
