HOW THIS PLACE WORKS

California cottage food is registered at the county. CDPH does not issue cottage-food permits. Class A registration and Class B permits are handled by the county (or city) environmental health department where you live. If this file only has a county homepage, call Environmental Health and ask for the cottage-food (CFO) page. Class A is registration. Class B is a permit.

Zoning / home occupation

Conditional. San Benito County Environmental Health Department handles cottage food registration. State preempts local zoning restrictions. Contact San Benito County Environmental Health at (831) 637-5346.

Health

No. Class A: no inspection required. Class B: initial home kitchen inspection required.

Business license

Varies

Pickup / delivery

Class A: direct sales including online and shipping within California. Class B: plus retail stores and restaurants within California. No interstate sales.

If you rent a commissary kitchen

CDPH does not permit commissaries. Counties do. California cottage food (Class A/B) is county environmental health. A commissary, restaurant, or shared kitchen is a retail food facility under CalCode, also at county environmental health, on a different application than the CFO form.

Local health office we have on file: <https://hhsa.sanbenitocountyca.gov/environmental-health-2-2/>

This file is the home-kitchen path. A rented kitchen uses a different permit. Ask the kitchen manager which license they expect, then call the local health office.
