Zoning / home occupation

Conditional. State law (§500.80(6)) preempts local government from restricting cottage food operations. Pickup / delivery

Sales allowed from residence, online, by mail-order, at farmers markets, flea markets, and roadside stands. Mail delivery explicitly permitted since 2021. No wholesale to restaurants or grocery stores.

If you rent a commissary kitchen

DBPR or the local health department licenses food. Florida public food service is typically DBPR Hotels and Restaurants or the county health department, depending on the operation. Cottage food is a separate exemption. Ask which office licenses the kitchen you rent.
