Zoning / home occupation

Varies. State law preempts local restrictions on cottage food operations (§500.80(6)). However, Sumter County home-based business rules under §559.955 may still apply. Sumter County is notable as home to The Villages (large retirement community). Local HOA rules within The Villages may also apply but are separate from government regulations.

Health

Upon-complaint. Inspections may only occur upon receipt of a complaint per §500.80(7).

Business license

Pickup / delivery

Online sales and mail-order delivery expressly permitted. Direct and indirect sales allowed. Sales must remain within Florida (no interstate shipping of cottage food products).

If you rent a commissary kitchen

DBPR or the local health department licenses food. Florida public food service is typically DBPR Hotels and Restaurants or the county health department, depending on the operation. Cottage food is a separate exemption. Ask which office licenses the kitchen you rent.

This file is the home-kitchen path. A rented kitchen uses a different permit. Ask the kitchen manager which license they expect, then call the local health office.
