### HOW THIS PLACE WORKS

**Georgia no longer sells a state cottage-food license.** HB 398 (effective July 1, 2025) removed the Georgia Department of Agriculture cottage-food license and fee. What may still apply is city or county occupational tax and zoning. This packet keeps the GDA program page so you can read the current state rules.

### Zoning / home occupation

Varies. No county-specific cottage food overlay found. Meriwether County may require a business license for commercial activity. Home occupation rules vary by zoning district under Meriwether County's zoning ordinance.

### Health

Upon-complaint. GDA may inspect upon consumer complaint or reported foodborne illness.

### Business license

Yes

### Pickup / delivery

Under HB 398, sales permitted via wholesale, retail, online, and direct. Delivery allowed. No geographic sales restriction within Georgia; interstate sales now permitted.

### If you rent a commissary kitchen

**A commissary is a food-service permit, not occupational tax.** Georgia no longer sells a GDA cottage license (HB 398). A rented kitchen is still a food-service establishment permitted by the county health department or the Department of Public Health. Occupational tax is not that permit.
