Zoning / home occupation

Conditional. Bond County has an active zoning office in Greenville. The Bond County Zoning Ordinance (updated June 2025, available at bondcountylil.gov) governs land use in unincorporated areas. Home-based food businesses are typically classified as home occupations, which are allowed as accessory uses in residential zones subject to county zoning requirements. Contact Bond County Zoning Administrator Brad Criner at (618) 237-9737 or 206 W. Main, Greenville IL 62246, or apply online at us.cloudpermit.com for permits.

Pickup / delivery

Illinois cottage food allows direct sales; home pickup is permitted. Online sales with local delivery permitted for non-perishables. No out-of-state shipping.

If you rent a commissary kitchen

Local health departments license food facilities. Illinois cottage food registers with the local health department. A commissary or restaurant is a retail food establishment, also at that department, on a different permit.

This file is the home-kitchen path. A rented kitchen uses a different permit. Ask the kitchen manager which license they expect, then call the local health office.
