Where to file

State

Illinois registration: Yes. Routine kitchen inspection: Upon-complaint. Illinois prohibits sales to restaurants, retail stores, and wholesale; direct in-state sales are allowed anywhere including home, online, farmers markets, events, and roadside stands; non-perishable items may be shipped within Illinois only.

Zoning / home occupation

Varies. Kendall County zoning ordinance applies in unincorporated areas. Yorkville and other municipalities (Oswego, Plano) have their own ordinances. Kendall County is in the Chicago exurban area (fastest-growing Illinois county). Local home occupation permits may be required.

Health

Upon-complaint. Kendall County Health Department may inspect upon complaint. No routine pre-operational inspection required.

Business license

Varies

Pickup / delivery

Direct sales statewide. Online sales allowed for non-perishable items shipped within Illinois only.

If you rent a commissary kitchen

Local health departments license food facilities. Illinois cottage food registers with the local health department. A commissary or restaurant is a retail food establishment, also at that department, on a different permit.

Local health office we have on file: <https://www.kendallcounty.gov>

This file is the home-kitchen path. A rented kitchen uses a different permit. Ask the kitchen manager which license they expect, then call the local health office.
