Not legal advice. Rules change. Confirm with the office before you file.

Where to file

State

Illinois registration: Yes. Routine kitchen inspection: Upon-complaint. Illinois prohibits sales to restaurants, retail stores, and wholesale; direct in-state sales are allowed anywhere including home, online, farmers markets, events, and roadside stands; non-perishable items may be shipped within Illinois only.

Illinois Department of Public Health: <https://dph.illinois.gov/topics-services/food-safety/cottage-food.html>

Statute: [410 ILCS 625/4 \(Food Handling Regulation Enforcement Act, §4\)](#)

Zoning / home occupation

Conditional. Local municipalities within LaSalle County may require home occupation permits. The county seat Ottawa and other municipalities have zoning codes that may require a home business or home occupation approval. No specific LaSalle County-level cottage food home occupation ordinance identified.

Health

Upon-complaint. State preempts most local inspection requirements; inspections triggered by complaint. Local health department may impose additional requirements under 410 ILCS 625/4(d).

Business license

Varies

Pickup / delivery

Direct in-state sales permitted. Online sales allowed for non-perishable items within Illinois. Out-of-state shipping prohibited. Home pickup, farmers markets, events all permitted.

If you rent a commissary kitchen

Local health departments license food facilities. Illinois cottage food registers with the local health department. A commissary or restaurant is a retail food establishment, also at that department, on a different permit.

Official source: [IDPH food safety](#)

Local health office we have on file: <https://www.lasallecounty.gov>

This file is the home-kitchen path. A rented kitchen uses a different permit. Ask the kitchen manager which license they expect, then call the local health office.
