Where to file

State

Illinois registration: Yes. Routine kitchen inspection: Upon-complaint. Illinois prohibits sales to restaurants, retail stores, and wholesale; direct in-state sales are allowed anywhere including home, online, farmers markets, events, and roadside stands; non-perishable items may be shipped within Illinois only.

Statute: [410 ILCS 625/4 \(Food Handling Regulation Enforcement Act, §4\)](#)

Zoning / home occupation

Conditional. Ogle County may require a home occupation permit for home-based businesses in unincorporated areas. City of Oregon and other municipalities within Ogle County have separate zoning codes. Recommend verifying with Ogle County Planning/Zoning and the City of Oregon.

Health

Upon-complaint. Inspections may occur upon complaint. Local health department (Ogle County Health Department) administers registration and may inspect.

Business license

Varies

Pickup / delivery

Direct-to-consumer sales from home, online, events, and farmers markets within Illinois. Non-perishable items may be shipped within Illinois only. No out-of-state shipping.

If you rent a commissary kitchen

Local health departments license food facilities. Illinois cottage food registers with the local health department. A commissary or restaurant is a retail food establishment, also at that department, on a different permit.

Local health office we have on file: <https://www.oglecounty.gov>

This file is the home-kitchen path. A rented kitchen uses a different permit. Ask the kitchen manager which license they expect, then call the local health office.
