Where to file

State

Illinois registration: Yes. Routine kitchen inspection: Upon-complaint. Illinois prohibits sales to restaurants, retail stores, and wholesale; direct in-state sales are allowed anywhere including home, online, farmers markets, events, and roadside stands; non-perishable items may be shipped within Illinois only.

Pickup / delivery

Ask Planning before you advertise pickup at the house.

If you rent a commissary kitchen

Local health departments license food facilities. Illinois cottage food registers with the local health department. A commissary or restaurant is a retail food establishment, also at that department, on a different permit.

Local health office we have on file: <https://www.scottcounty.gov>

This file is the home-kitchen path. A rented kitchen uses a different permit. Ask the kitchen manager which license they expect, then call the local health office.
