Not legal advice. Rules change. Confirm with the office before you file.

Where to file

State

Illinois registration: Yes. Routine kitchen inspection: Upon-complaint. Illinois prohibits sales to restaurants, retail stores, and wholesale; direct in-state sales are allowed anywhere including home, online, farmers markets, events, and roadside stands; non-perishable items may be shipped within Illinois only.

State law page: crosodo.com/states/illinois

Illinois Department of Public Health: <https://dph.illinois.gov/topics-services/food-safety/cottage-food.html>

Statute: [410 ILCS 625/4 \(Food Handling Regulation Enforcement Act, §4\)](#)

Zoning / home occupation

Varies. IL does not preempt local zoning. Winnebago County and City of Rockford may have home occupation permit requirements. Operator should verify with local planning

Health

Upon-complaint. IL Dept of Public Health complaint-based

Business license

Varies

Pickup / delivery

Direct to consumer only; farmers markets, events, home sales, online with direct delivery; no retail/wholesale

If you rent a commissary kitchen

Local health departments license food facilities. Illinois cottage food registers with the local health department. A commissary or restaurant is a retail food establishment, also at that department, on a different permit.

Official source: [IDPH food safety](#)

Local health office we have on file: <https://wincoil.gov>

This file is the home-kitchen path. A rented kitchen uses a different permit. Ask the kitchen manager which license they expect, then call the local health office.
