Pickup / delivery

Ask Planning before you advertise pickup at the house.

If you rent a commissary kitchen

Local health departments license retail food. Indiana home-based vendor rules do not replace a retail food establishment permit. A commissary is licensed by the local health department.

Official source: [ISDH food protection](#)

Local health office we have on file: <https://www.fayettecounty.gov>

This file is the home-kitchen path. A rented kitchen uses a different permit. Ask the kitchen manager which license they expect, then call the local health office.
