Zoning / home occupation

Conditional. Indiana 2022 HEA 1149 (IC 16-42-5.3) expressly preempts local licensing/inspection for home-based vendors. However, Vanderburgh County and Evansville may require home occupation zoning permits for home-based businesses separately from food licensing. County URLs were blank in input.

If you rent a commissary kitchen

Local health departments license retail food. Indiana home-based vendor rules do not replace a retail food establishment permit. A commissary is licensed by the local health department.
