Where to file

State

Iowa registration: No. Routine kitchen inspection: No. Cottage food direct-to-consumer sales only; however, a separate Home Food Processing Establishment (HFPE) license allows indirect retail and wholesale sales of almost any food including perishables.

Statute: [Iowa Code §137F.1](#) / [§137F.20](#)

Zoning / home occupation

Conditional. Iowa rural county zoning ordinances typically require a home occupation permit or conditional use approval for home-based businesses in unincorporated areas. Business must be incidental to residential use with no exterior evidence of commercial activity and limited customer traffic. Iowa Code §137F.20(1) preempts food-specific restrictions; Iowa Code §414.33 preempts city-level home business restrictions. County zoning governs unincorporated areas.

Health

No. No routine inspection. Iowa DIAL (Dept. of Inspections, Appeals, and Licensing) may investigate upon complaint of foodborne illness.

Business license

No

Pickup / delivery

Direct-to-consumer sales only under the cottage food exemption. Customers may pick up at home, or operator may sell at farmers markets, roadside stands, or events. No wholesale or retail indirect sales under the cottage food exemption (separate HFPE license required for indirect sales).

If you rent a commissary kitchen

DIA licenses food establishments. Iowa cottage food is an exemption. A commissary or food establishment is licensed by the Department of Inspections, Appeals, and Licensing (or the local board of health where they inspect).
