Where to file

State

Maryland registration: Depends. Routine kitchen inspection: Upon-complaint. Sales at retail food stores (indirect) are allowed but require prior submission of labels and documentation of ANSI-accredited food safety course completion to the Maryland Department of Health before any retail sales can commence. The Department must notify the producer in writing that requirements are met before retail sales begin.

Zoning / home occupation

Yes. Anne Arundel County passed Bill 81-20 (October 19, 2020) specifically allowing cottage food businesses as home occupations under county zoning. Introduced by Councilmember Rodvien, the ordinance defines cottage food businesses and permits them as home occupations in residential zones. Maryland state cottage food guidelines explicitly state 'Cottage food businesses must comply with all applicable county and municipal laws and ordinances' and direct producers to 'contact your local permits, licensing and zoning department.' Anne Arundel County has a dedicated cottage food-as-home-occupation framework.

Health

Upon-complaint. Complaint-based inspection only per Maryland state cottage food guidelines

Business license

Varies

Pickup / delivery

Direct-to-consumer sales: home, farmers markets, public events, personal delivery, mail order within Maryland. Sales to retail stores require MDH review (no license). \$50,000 annual cap. No out-of-state sales. No wholesale over 50%.

If you rent a commissary kitchen

MDH and local health license food facilities. Maryland cottage food is not a food-service facility license. A commissary is a food service facility licensed by the local health department.
