Sales within New York State only. Wholesale to in-state retail/restaurants allowed. Internet sales within NYS only.

### If you rent a commissary kitchen

**A commissary is Article 20-C or a health permit, not Home Processor.** New York Home Processor is a state AGM registration for a home kitchen. If you hold a DOH permit or AGM 20-C license, homemade food must be made at that licensed facility. A commissary is that licensed facility.

This file is the home-kitchen path. A rented kitchen uses a different permit. Ask the kitchen manager which license they expect, then call the local health office.
