HOW THIS PLACE WORKS

New York registers home processors at the state. Home Processor registration is with the New York State Department of Agriculture and Markets, not the county health department. Suffolk, Nassau, and other county health pages will not have a separate cottage-food application. Confirm labeling and the AGM registration page in this file.

Sales at farms, farm stands, farmers markets, craft fairs, flea markets, home delivery, online — within NY State only. Wholesale to retailers permitted.

If you rent a commissary kitchen

A commissary is Article 20-C or a health permit, not Home Processor. New York Home Processor is a state AGM registration for a home kitchen. If you hold a DOH permit or AGM 20-C license, homemade food must be made at that licensed facility. A commissary is that licensed facility.

This file is the home-kitchen path. A rented kitchen uses a different permit. Ask the kitchen manager which license they expect, then call the local health office.
