HOW THIS PLACE WORKS

New York registers home processors at the state. Home Processor registration is with the New York State Department of Agriculture and Markets, not the county health department. Suffolk, Nassau, and other county health pages will not have a separate cottage-food application. Confirm labeling and the AGM registration page in this file.

If you rent a commissary kitchen

A commissary is Article 20-C or a health permit, not Home Processor. New York Home Processor is a state AGM registration for a home kitchen. If you hold a DOH permit or AGM 20-C license, homemade food must be made at that licensed facility. A commissary is that licensed facility.
