Where to file

State

North Carolina registration: Yes. Routine kitchen inspection: Yes. Home processors may sell to retail stores, restaurants, and directly to consumers. Sales at farmers markets are permitted. Labels are required for wholesale and packaged self-service retail; direct hand-to-consumer sales (e.g., from home or at events) may be exempt from affixed labels if ingredient info is available on request. NC requires annual home kitchen inspection, which is unusual among no-cap states.

Statute: [02 NCAC 9C.0307](#)

Zoning / home occupation

Varies. Nash County (Nashville, NC) may have local home occupation zoning requirements. No Nash County-specific cottage food permit beyond state home processor registration identified. Operators must register with NCDA&CS.

Health

Yes. Annual inspection of home kitchen by NC Department of Agriculture & Consumer Services (NCDA&CS). Registration required.

Business license

Varies

Pickup / delivery

Direct and indirect sales allowed (NC allows wholesale). Sales at farmers markets, events, home, and retail stores permitted. Must be registered with NCDA&CS.

If you rent a commissary kitchen

NCDA or the local health department, depending on the food. North Carolina home processors register with NCDA. A commissary used as a food service kitchen is typically permitted by the local health department; a food manufacturing plant is NCDA. Ask the kitchen which license they operate under.

Local health office we have on file: <https://www.nashcounty.gov>

This file is the home-kitchen path. A rented kitchen uses a different permit. Ask the kitchen manager which license they expect, then call the local health office.
