Not legal advice. Rules change. Confirm with the office before you file.

Where to file

State

North Dakota registration: No. Routine kitchen inspection: No. Transactions must be directly between the cottage food operator and the 'informed end consumer' and solely for home consumption. Products may not be sold or used in any food establishment, food processing plant, or food store. No wholesale channel is permitted.

State law page: crosodo.com/states/north-dakota

North Dakota Department of Health and Human Services (formerly Department of Health): <https://www.ndhealth.gov/foodlodging/cottagefood/>

Statute: [N.D. Cent. Code §23-09.5-01 through §23-09.5-02](#)

Zoning / home occupation

Conditional. ND statute (§23-09.5-02(1)) expressly prohibits state agencies and political subdivisions from requiring licensure, permitting, or certification for cottage food. Bottineau County is a rural northern ND county bordering Canada. General home occupation zoning may apply to home businesses generally, but cottage food is preempted from local permitting.

Health

No. State may investigate complaints related to foodborne illness. No routine inspections.

Business license

No

Pickup / delivery

Sales may occur at farm, ranch, farmers market, farm stand, home-based kitchen, or any non-prohibited venue, including delivery. Direct producer-to-consumer transactions only.

If you rent a commissary kitchen

Local health units license food establishments. North Dakota cottage food is a home path. A commissary is a food establishment licensed by the local health unit.

Official source: [ND HHS food and lodging](#)

Local health office we have on file: <https://www.bottineaucounty.gov>

This file is the home-kitchen path. A rented kitchen uses a different permit. Ask the kitchen manager which license they expect, then call the local health office.
