Zoning / home occupation

No. Coal County is a rural county with no identified county-wide zoning ordinance for unincorporated areas. The City of Coalgate (county seat) may require a business license and home occupation permit for businesses within city limits. State law (§5-4.6) allows counties to adopt non-conflicting ordinances.

Health

No. No routine inspection. ODAFF may investigate upon complaint of foodborne illness or labeling violation; may request proof of food safety training for TCS food producers

Business license

No

Pickup / delivery

Sales allowed on-site (home), by delivery, at farmers markets, through cooperatives, and through membership-based buying clubs. Non-TCS foods may also be sold through third-party retail vendors (grocery stores, farm stands, farmers markets, craft fairs) if vendor displays required allergen/unlicensed disclosure placard. Producer or producer's agent may deliver in-state.

If you rent a commissary kitchen

A commissary is a food-service license, not Food Freedom. Oklahoma Homemade Food Freedom is a home path. A commissary is a food establishment licensed by the State Department of Health.
