State

Oklahoma registration: No. Routine kitchen inspection: No. Sales are permitted on site, by delivery, at farmers markets, through cooperatives, and through membership-based buying clubs. The Oklahoma Department of Agriculture, Food, and Forestry may promulgate rules to allow sales at other locations or by other means. Zoning / home occupation

Varies. Osage County unincorporated areas generally not subject to county-wide zoning; Oklahoma counties typically do not have comprehensive zoning authority outside municipalities. Incorporated areas (e.g., Pawhuska) have their own zoning and business license requirements. No county-specific cottage food zoning overlay identified. Producers must collect sales tax via OTC sales tax permit when selling at farmers markets.

Health

No. Investigation of reported foodborne illness only; no routine inspection

Business license

Varies

Pickup / delivery

Producer or producer's designated agent may deliver in-state only. Third-party delivery services not permitted for TCS foods.

If you rent a commissary kitchen

A commissary is a food-service license, not Food Freedom. Oklahoma Homemade Food Freedom is a home path. A commissary is a food establishment licensed by the State Department of Health.
