Where to file

State

Oregon registration: Depends. Routine kitchen inspection: No. Direct sales to end users are permitted in any manner including online, mail, and at events. Sales to retailers (including coffee shops but not restaurants) are permitted if the retailer agrees to store/display the foods separately and clearly indicate they are homemade and not prepared in an inspected food establishment. Sales to institutions (restaurants, schools, hospitals, caterers, day care centers, nursing homes, correctional facilities) are prohibited. A Domestic Kitchen Bakery License (~\$50/year) is required for establishments wishing to sell to retailers under licensed status rather than using the residential-dwelling exemption. The department may provide a unique identification number for use on labels. Annual records must be maintained for 3 years.

Zoning / home occupation

Conditional. Baker County land use ordinances may require home occupation approval for home-based businesses. Rural counties in Oregon typically address home occupations through zoning code. Baker City (incorporated) would have its own home occupation provisions. Producers in unincorporated Baker County should check with Baker County Planning Department. No county-specific cottage food overlay identified in research.

Health

No. No routine inspection required. ODA may respond to complaints.

Business license

Varies

Pickup / delivery

Direct sales to end users permitted from home, online, through the mail, and at events. Sales to retailers permitted under specific conditions with required placard. Cannot sell to institutions.

If you rent a commissary kitchen

ODA licenses food establishments. Oregon residential-dwelling exemption is a home path. A commissary or licensed domestic kitchen bakery is an ODA food establishment.
