Zoning / home occupation

Varies. Door County (the Door Peninsula) follows standard Wisconsin local government zoning framework. Home occupation permits may be required under Door County zoning ordinance. No Door County-specific cottage food overlay identified. Sturgeon Bay (county seat) has its own rules within city limits. Door County's tourist economy and numerous farmers markets provide direct-sales opportunities.

Health

No. DATCP has declined to enforce against qualifying home bakers per Kivirist injunction; complaint-driven action possible.

Business license

Varies

Pickup / delivery

Direct-to-consumer only for Kivirist-covered baked goods. Pickle Bill allows farmers market and community event sales only (up to \$5,000/year). Door County's active farmers market and tourism economy provides good DTC channels. No wholesale or retail sales allowed under either exception.

If you rent a commissary kitchen

DATCP licenses food processing; local health licenses restaurants. Wisconsin unlicensed home baking is a narrow path. A commissary is typically a DATCP food processing plant or a local food-service license. Ask the kitchen which license they hold.

This file is the home-kitchen path. A rented kitchen uses a different permit. Ask the kitchen manager which license they expect, then call the local health office.
