This is what the state asks for a home cottage bakery. Local zoning still applies even when the state requires no food permit.

What the state asks

Registration: Yes. Routine inspection: No. Sales cap: \$35,000 / year.

Under the pre-2025 law (NRS 446.866), sales must be in-person transactions only — no internet or phone sales. Products may not be sold to wholesalers, brokers, distributors, or retail establishments for resale. AB352 (2025) amends this to allow phone and internet transactions with delivery via mail or food delivery service, but product relinquishment must still occur in Nevada. Local rules vary significantly: Clark County (Las Vegas), Washoe County, Carson City, and Douglas County have separate health authority requirements.
