OKLAHOMA RULES

[Oklahoma cottage food law page](#)[Oklahoma State Department of Health cottage food program](#)[Statute: 2 O.S. §5-4.1 through §5-4.6 \(Homemade Food Freedom Act\)](#)**NOT LEGAL ADVICE**

This is what the state asks for a home cottage bakery. Local zoning still applies even when the state requires no food permit.

What the state asks

Registration: No. Routine inspection: No. Sales cap: \$75,000 / year.

Sales are permitted on site, by delivery, at farmers markets, through cooperatives, and through membership-based buying clubs. The Oklahoma Department of Agriculture, Food, and Forestry may promulgate rules to allow sales at other locations or by other means. County ordinances may regulate but may not conflict with or impede the Act. For TCS foods, the producer must complete an approved food safety training (e.g., ServSafe Food Handler Training, max 8 hours, available online) before selling.
