Labels must be applied as specified by the UDAF in administrative rules. Typical requirements include product name, ingredients, net weight, producer name and address, and a statement that the product was made in a home kitchen not inspected by the state. The statute explicitly prohibits rules requiring commercial-grade equipment or a separate kitchen, making the registration pathway accessible.

Homemade foods are broadly exempt from labeling requirements (§11-49-103(b)). However, the producer must inform the end consumer (verbally or by sign) that the food is not certified, labeled, licensed, packaged, regulated, or inspected. For retail/grocery store sales: non-potentially hazardous foods must be labeled 'this food was made in a home kitchen, is not regulated or inspected and may contain allergens.' Retail spaces selling homemade food must display a sign indicating it has not been inspected. Potentially hazardous homemade foods at retail locations adjacent to commercial food establishments require physical separation per §11-49-103(d).
