Georgia Cottage Food Label Template

Print-ready layout using Crosodo labeling research. Educational only —
verify wording with your state agency before production.

How to use this template

Replace product name, business name, address, ingredients, and net weight for each SKU. Keep allergen statements in plain English. Do not paraphrase required disclaimer language when the state mandates exact wording.

Georgia labeling notes

Statute: O.C.G.A. §26-2-470 et seq. (eff. July 2025); prior: GA R&R 40-7-19

Font requirement: 10-point

Required disclaimer: This product was produced at a residential property that is exempt from state inspection. This product may contain allergens.

Summary: Labels must include the business name, address or GDA-issued identification number, phone number, and the statement 'This product was produced at a residential property that is exempt from state inspection. This product may contain allergens.' in at least 10-point type. Operators may obtain a GDA identifier in lieu of a home address.
