North Carolina Cottage Food Label Template

Print-ready layout using Crosodo labeling research. Educational only — verify wording with your state agency before production.

How to use this template

Replace product name, business name, address, ingredients, and net weight for each SKU. Keep allergen statements in plain English. Do not paraphrase required disclaimer language when the state mandates exact wording.

North Carolina labeling notes

Statute: 02 NCAC 9C.0307

Font requirement: (none specified)

Required disclaimer: (no exact wording mandated)

Summary: Labels required on individually packaged products for self-service sale or wholesale: product name, ingredient list in descending order by weight, net quantity, processor name and address, and all allergens. Nutritional labels not required unless specific nutrient content claims are made. Products sold directly hand-to-consumer at events may be exempt from affixed labels if ingredient info is available on request.
